MN	CAA CWA RCRA	Due to MN Supreme Court decision and state AG interpretation, MN does not report open case data to EPA data systems if it will be released to the public through ECHO. (For RCRA, data is being reported to RCRAInfo, but "flags" are being used to prevent the data from being released to the public.)	<ul style="list-style-type: none"> <li>R5 believes no other steps on MPCA data issues related to the MN Supreme Court decision can be taken at this time and, having elevated this issue to OECA for a possible technical fix for air and water to the data systems), considers it closed as of 2/10/14.</li> <li>CAA: EPA and MPCA will continue to discuss complex cases/violations during our monthly scheduled conference calls. EPA will provide assistance when requested. Due to MPCA developing their new internal database system, EPA has been informed MPCA anticipates to begin working on the ICIS-Air data flow program this coming Fall/Winter. Currently, MPCA reports FCEs and HPVs to ICIS-Air by direct entry, but not all the MDRs are being reported.</li> </ul>
